

RBC film club

It's like a book group . . . but with films

Want to learn more about films? Want to enjoy a wide range of films in a friendly environment? Want to give your brain a gentle work out? Enjoy sharing your opinions with others? Then the RBC Film Club is for you.

Each film begins with a five to ten minute introduction, followed by the film before heading out into the foyer for a tea and coffee break. Then it's back into the cinema to share your thoughts with other film lovers in a relaxed, entertaining and, at times, challenging discussion led by Darren Connor, Senior Lecturer at the University of Cumbria.

We meet each Monday evening at 6.30pm. You are welcome to dip in and out of the Film Club, but if you sign up for the full 8 week course, you will receive two complimentary tickets for any film of your choice.

The next 8 week starts on **Monday 1 November** with perhaps the most beloved Scottish film ever made 'Gregory's Girl'. Writer-director Bill Forsyth beautifully portrays the awkwardness and cock-eyed optimism of adolescence in a film that captures school life like no other. Plus Q&A with actor Rab Buchanan.
